I email in response to your below query dated 19/12/19.

I am aware of your complaint recorded in 2014 against the below named officers. This complaint was full investigated and I note you have submitted 6 further complaints in regards to the incident which were non recorded. You have exercised your appeal right to the Independent Office for Police Conduct (IOPC) in this regard and they have not been upheld.

Your continued correspondence on this matter is not necessary and is repetitive, therefore I will not be recording any further complaint in regards to the below.

Regards

Alison
